“With great clarity and insight, Dr. Tecoy Porter provides us with the ‘kingdom keys,’ helping us not only understand what wealth really is, but where it is and how to unlock its valuable treasures.” “This is a very engaging and empowering book that can lead to discoveries which can really change lives!”

Dr. William H. Lee
The Sacramento Observer Newspapers

“For years I’ve held no answer to this very disturbing question...if the church has so much power why does the vast majority of us seem to lack so much financially?” “This book successfully answers that question.” Releasing Your Inner Treasure is an essential tool in destroying old mind sets and developing the fundamental principals needed to establish wealth.” This book is a must have!”

KD Bowe – Nationally Syndicated Gospel Morning Show Host
CEO of KBD Enterprise Intl, Inc

“A powerful view on financial advancement!”

Dr. Ron Blanchette, DDS
Sacramento Business Leader

“This book will challenge you to break free of the tragic trap of dead traditions of the past and become a highly effective teacher of how to live in financial freedom.”

Dr. Lloyd C. Blue
President
Church Growth Unlimited, Inc.

“This Pastor is truly a 21st Century Pastor. “God has truly equipped those with Pastoral Callings and business acumen that defies the traditional role of the Pastor. The successful Pastor today must preach and be able to handle the business to be an example for the traditional church person and the millionaire that is a believer, but wants to see you know what to do with the resources they will bring to the church.” They want to see their investments handled wisely!” “I highly recommend this book”

William A Blue IV – Director, Potter’s House International Pastorate Alliance
Bishop T.D Jakes, Dallas Texas

“*Releasing Your Inner Treasure* will bring about a deep repentance in your soul, provoking you to change what you may have believed was true about wealth and money.” “Porter is convinced many successful figures in our society employ the principles of the kingdom of God to acquire wealth.”
